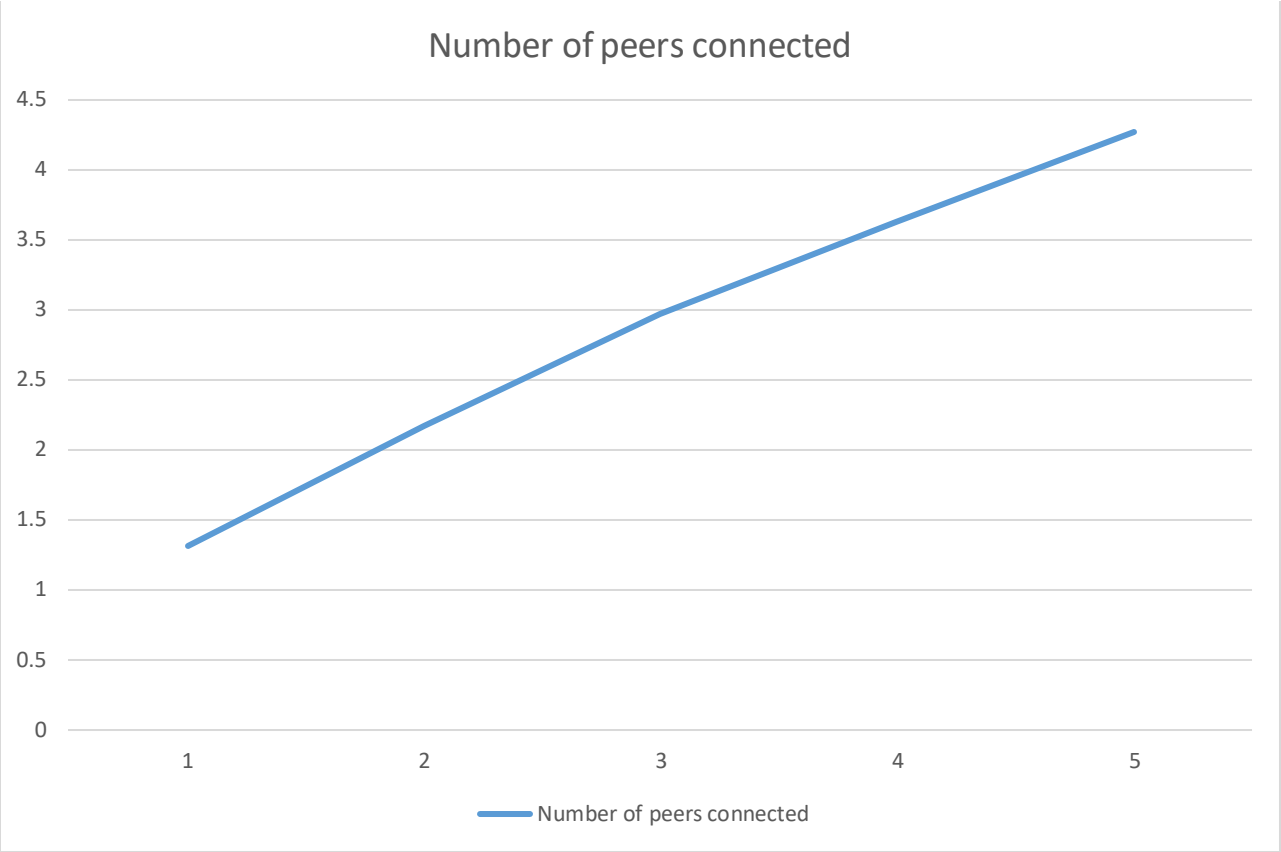
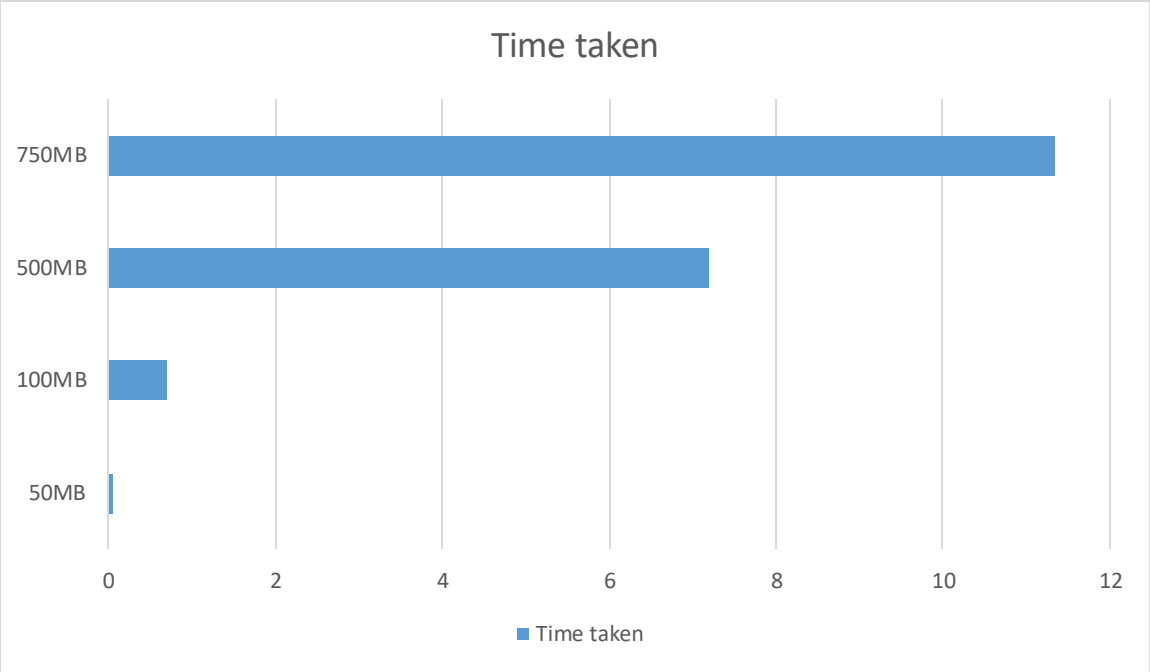
Search Evaluation:



Average Response time	Number of peers connected
1	1.31172
2	2.16425
3	2.96324
4	3.62125
5	4.2613

The average time taken per response increases as the number of concurrent peer search requests increases.

Download Evaluation:



Size	Time taken
50MB	0.050555
100MB	0.701927
500MB	7.186449
750MB	11.335922

The download time per file increases as the size of the file increases
